CHOCTAW LAWS.

Synopsis of the Wark Accomplished by the Thirly-nine Days' Session of the Choctaw National Council.

The White Man Can't go Into the Country, Marry a squaw and Grow Rich as Easily as 12 Days Gone By.

Special Correspondence of the Gazette. FORT SMITH, ARK., Nov. 14 .- The Choctaw Council adjourned on Thursday last after a quiet session of thirty-nine days, during which time some new laws were enacted, old ones amended and many claims for citizenships passed upon, a large majority of which were rejected. Among other laws passed was the following, which is of general importance to

under permit:

whites residing in the Choctaw nation

the public domain: 1. Be it enacted by the General

Council of the Choctaw Nation asthat it shall not e lawful for any non-citizen of the Nation, whether under a trader's permit that city. to reside and do business in the Nation or otherwise to enclose for his own use and benefit, any more lands than sufficient to build a tenement or tusines, house upon, not to exceed, if in a town or village, more than two town lots of usual

2. Non-citizens who own houses and buildings for the purpose of renting them and are renting them, shall within sixty from the shoulders and centered in the days from the passage of this act, dispose of the same, or be dealt with in the same way as provided for in the sale of noncit zens improvements under the law of October 30, 1877, in reference thereto.

3. All enclosures or pastures owned by non-citizens shall be sold to citizers within sixty days after the passage of this act, or they shall be removed by the sheriff of the county in which said enclosures or pastures are located, or open- perpetrators of the largest bond ed up for common pasture purposes to robbery on record, the theft of the citizens of the Nation.

4. The non-citizen failing or refusing to comply with the requirements of the first section of this act, shall be deemed and held as forfeiting their permits, and shall be further held to be intruders, and | Miner escaped from the Court Bailiff the their removal shall be demanded by the day before the case came up. It is not principal chief.

The above law is now in force and will work quite a hardship on hundreds of undoubtedly go to prison for their non-citizens who have made improve- offenses committed in Boston. ments under the old law.

citizens of the Chectaw nation from employing non-citizens to take charge of or A Correspondent of the Commercial Ga herd cattle, horses, sheep, hogs or goats, except to feed them in pens or pastures. This law was vetoed by the Governor, Green of Maysville and Lew Baldwin of and afterward passed over his head by a two-thirds majority of both houses This ing industry.

closing hours of the session. It is to the charging Boldwin and others nation must first pay into the of two precincts in Jessamire county treasury of the nation the sum were stolen. This and other hings were

thorizing the national secretary to give cut Green on the left side and then he fell public notice to any and all persons who dead. Green was carried to a room in may have claims to Choctaw citizenship the hotel and his wound was found to be to file their applications with him within trifling. A large number of friends of six y days after the passage of the act, and each are here and many threats a e inall who fail to comply will be entirely dulged in, so that more trouble may be charge, but his daughter made the comdebarted from making application for cit- expected. izenship in the Choctaw nation. Address The above is very important to many
